

February 12, 2010

Bible Center School Parents,

We are excited to announce the first Bible Center School **Giving to Grow Gala** to be held on Tuesday, March 16, 2010 from 6:30 to 8:30pm at the Bible Center Church, Southridge Campus. Tickets for this event will be \$25 per person.

The evening will include a time for fellowship as we celebrate God's blessing on our school and our Move to the Middle. Children from various BCS classes will be featured on the program and dinner will be catered by Wellingtons of Scarlet Oaks. More importantly the evening will be dedicated to ensuring the spiritual and educational growth of our children through the raising of funds to support current operational needs of BCS and continue the vision for the future.

You may ask why a gala? For almost 30 years BCS has successfully provided quality Christian Education in the Kanawha Valley. Tuition covers a large percentage of the actual cost for a student to attend BCS, but tuition alone does not cover all the expenses. Our goal is to continue providing exceptional academic programs and enhance our technology and curricular offerings, while keeping tuition costs attainable for as many families as possible.

Funds raised will support our annual operations. Some of the annual operational costs include salaries, activities, computers, curriculum and facilities. In the fall the budget will include implementing a Spanish program for middle school students. Future plans would include expansion of our fine art programs and enhancements to technology, with such things as SMART boards, which are new interactive whiteboards for classroom use.

We encourage you to join with us in supporting the children and families who benefit from Bible Center School. We will be providing invitations for you to invite your friends and family to this year's gala in the near future. Please prayerfully consider how you can best support Bible Center School through this event.
