Moses Illustrates How Godly Priorities Lead to Right Choices and Assure Lasting Rewards

I. Godly priorities start with wise parents *(v. 23)*

1. Moses' parents saw he was “no ordinary child.” *(Acts 7:23-25)*
2. What do you see in your child? *(Matthew 6:33)*
3. Remember – wise parents model and teach godly priorities.

II. Godly priorities enable us to make the hard choices. *(vv. 24-25)*

1. Saying no to what looks good now *(v. 24)*
2. Saying yes to what looks good later *(v. 25)*
3. What generation are you?

III. Godly priorities enable us to clearly see the results of our choices. *(v. 26)*

1. A Key Question:
How will this decision look in *eternity*?
2. Some Key Words:
 - “regarded”
 - “looking ahead”*(Hebrews 11:13-16)*
